#### Flexibuzz is Changing to School Apps

Don't forget to download School Apps in preparation for our new school app going live this week. All communication from school will be through this app.

## **OSCAR - Holiday Programme**

Registration form and programme can be found on the NEWS tab of the new School Apps.  
Paper copies available from the office.

## **Kindo Payment System**

There is a minor change regarding the options for Kindo payments that will take effect from 6 July.

If you make an instant bank transfer to top up your account, the POLi system (not Kindo itself) is imposing a 1% service fee, capped at \$3 as of 6 July.

Internet banking (at your bank) remains free of charge, but you need to allow up to 2 days for the processing of funds, although usually it is within 24 hours.

Kindo is happy to help you with sorting the best option for you regarding making payments, or to assist with any other queries.
