

Weekly Reminders and Notices

Term 3 - Week 8

Mālō e lelei! This week is Tongan Language Week

It was so lovely to see so many of you back this week. Thank you for your consideration around the change in structure for drop off and pick up and using the NZ Covid Tracer app if you are coming into the school grounds. This will continue for this week. Just a reminder if you need to come into school outside of the gate opening times please use the Carrington Road entrance and ring the school office for access.

We had great success with televising our school assembly this week with a large number of our community watching. We will continue to broadcast our assemblies through the live link accessed from the school website from 8.45 onwards and will send out the link to the certificate winners presentation on Friday afternoon for your viewing.

Thank you to all of those who have completed our Family feedback form providing us with your thoughts about Online learning. If you haven't completed this yet and wish to do so here is the link: [Family Feedback Form](#)

A further reminder, if you borrowed a school Chromebook during the lockdown please can these be returned to the school office with the charger as soon as possible.

Yummy stickers - you may or may not be aware that we are collecting yummy stickers from apples to help other schools purchase PE equipment. Each classroom has a sheet where the yummy stickers can be attached- the more stickers we can collect, the more equipment we can donate to these schools. See here for more information: <https://www.yummyfruit.co.nz/schools/>
