Kia Ora Gladstone Whanau

Welcome to Week 9 of Term 3 - this week is Maori Language Week and we have lots of great activities planned for your children. Senior School will be involved in a Harekeke workshop and will be bringing their weaving home. On 14 September 1972, 30 thousand signatures were presented to Parliament, asking for te reo Māori to be taught in schools. In recognition of this significant milestone, on **Monday 14 September at 12pm**, the country will be celebrating Te Wā Tuku Reo Māori | The Māori Language Moment with the goal of having 1 million people speaking, singing and celebrating te reo Māori at the same time! We will be participating in this great event by singing Tutira Mai Nga Iwi as a whole school.

In PE & Health - Years 1-4 have been learning about nutrition and the foods they should eat every day and those that should be just treats. This photo is of Room 32 showing off their amazing artwork.

Weekly Reminders

Monday

- Ben and his team from Musiqhub will be here for music lessons this week.

Tuesday

- School Photos (Rm's 47, 44, 43, 14, 15, 49, 45, 48, 46, 27, 26, Cottage children and Sports photos). Please make sure netball teams come with their uniform on this day.

Friday

- Our assembly will be conducted through GTV - please go to the website www.gladstone.school.nz and use the GTV link to find the connection.

Message from the Library Crew

<u>Overdue Library Books</u>

Hi Gladstone Families

With the funny year we have had it has been difficult to keep up with returning library books to the school library. I am hoping to use the next couple of weeks to gather up all our overdue books before heading into the final term. If your child brings home an overdue library book notice can you please help them search for the book. My advice is that you google the book name and author (from the overdue note) and look at the book image. It is always easier to find books this way.

Yours in books, Library Tania
