

Malo Li!

Malo te aofia mai to Week 3 of Term 4. This week is Tokelauan Language Week.

Last week was a busy week with the Year 5's visiting Ambury Farm, Rooms 46 and 44 going to Waterwise and our whole school Cross Country. This week is a little quieter.

Just a reminder - Term 4 and 1 are hat terms. Please ensure all children are bringing hats to school to wear when they are outside.

-

Weekly Notices

Weetbix Tryathlon - Central West Auckland - 6th December - Keith Hay Park, Mt Roskill

The school has registered for this event. Entries are open for children aged 7-15 years. To register your child please follow the link:

<https://www.registernow.com.au/secure/Register.aspx?E=40591&G=120674>

Colin and Lynsey will be running some before school sessions to help children get used to the transitions and get an idea of what is involved. We will let you know the dates of these soon.

Parent Workshop - High Ability students

Brooke Trenwith (President of the NZ Association of Gifted Children) is going to lead a Parent Workshop on Wednesday November 4th @ 7 pm called "ABC - laying the foundations". This will be great information for any parents of high ability students. She will focus on how we can meet their social and emotional needs, as well as their learning needs. We would love to see you there. Please RSVP to Claire Alger if you are coming along. claire@gladstone.school.nz

ICAS Testing

We have now finished our ICAS testing. We now await the results - we will let you know when these arrive. Thanks to you all for having your children at school on time to sit the tests. If anyone has old paper practice tests at home can they please return them back to the school office or to Room 55 (Mrs Alger's room).

Seaview Terrace Road Works Schedule

We have been informed of scheduled roadworks commencing from the 27th October between 7am and 7pm on Seaview Terrace. These works will involve upgrades to the footpath, kerbs, channel, vehicle crossings and pram crossings between 12 Seaview Terrace and Guardwell Terrace. This is scheduled to last for approximately 5 weeks. These works will impact our drop off and pick up zones as well as parking in this area. Please use alternative entrances to the school to avoid congestion.
