

Weekly Reminders and Notices

Term 4 - Week 6

Kia Ora Gladstone Whanau - Welcome to Week 6.

Swimming - PE

From this week children will need to bring their togs for PE as we will be in the pool for the next 3 weeks. Swimming is a compulsory part of the curriculum and all children must take part unless there is a medical reason. If this is the case a note must be provided from home to be given to the PE teachers.

Scooter and Bike Safety

Please can you remind children about the safety of riding their scooters and bikes to and from school. There have been a couple of near collisions with cars coming out of driveways recently. Please remind children to check driveways and look both ways when crossing the road.
